### **Novice Pairs and Dance**

Beginning with the 2007- 2008 competition season, all novice pairs and dance teams will begin their qualifying at their respective sectional championships. These events will no longer be offered at the regional championships.

### **Juvenile and Intermediate Pairs and Dance**

For the 2007 - 2008 competition season, all juvenile and intermediate pairs and dance teams will advance automatically to the 2008 U.S. Junior Championships. There will be no event for these teams at the regional championships. However, these teams will have the option of competing at their respective sectional championships November 14 – 17, 2007. At the time of registration, each team must declare whether or not they elect to compete at their respective sectional championships. Those who elect not to compete will advance directly to the 2008 U.S. Junior Championships. Those teams who elect to compete at sectionals **MUST** compete in order to advance to the 2008 U.S. Junior Championships
