Send completed form and fees to Eumie Stroukoff, Test Chair, SFSC, 3380 La Avenida de San Marcos, Santa Fe, NM 87507-9203. Priority is given to members of THE SANTA FE SKATING CLUB. For questions, please contact the Test Chair: Eumie Imm Stroukoff, Santa Fe Skating Club, danzfoolz2@gmail.com

Test forms are due at least TWO WEEKS before the scheduled test date. The test chair will post the deadline date. If you are testing Intermediate or higher, or any dance, please contact the test chair at least FOUR WEEKS in advance so we can locate appropriate judges. The Test Chair reserves the right to cancel tests due to lack of appropriate judges. Skaters taking high level tests marked with an * may need to cover additional costs of bringing gold level judges to the test session, if local judges are not available.

TEST SESSION RULES:

1. Application for testing must be submitted on an official test application form. Applications will not be accepted unless accompanied by all required fees, completed application, and if required, a letter of permission or current USFS membership card.
2. Test applications deadlines are at least 2 WEEKS (14 DAYS) prior to the officially scheduled test date. Applicants should check the website (www.santafeskatingclub.org) or SFSC bulletin board for deadline date of each test session. Applications must be mailed or delivered to the Test Chair PRIOR TO the application deadline. Applications accepted after this date will be on a first-come, first-served basis, space permitting. A \$25 late fee will be assessed for filing after the posted deadline date.
3. Test fees are NON REFUNDABLE if a skater cancels the requested test(s) later than 10 days prior to the test date. No exceptions.
4. Test Chair has the right to cancel an entire scheduled test session or an individual test due to (1) unavailability of appropriate judges or (2) lack of sufficient test applications.
5. Once a test session begins, coaches and/or parents will not be allowed on the ice except as registered partners for dance/pairs tests or in an emergency situation.
6. Skaters MUST first pass the appropriate field move test before taking the corresponding free skate test. When applying for both field moves and free skate, the total fee for both events must be included in the test application payment. If the skater does not pass the field moves test, the fee for their free skate test is forfeited.
7. The test schedule will be posted at the rink two days prior to the test date, or alternately, emailed to skaters and coaches.
8. Pursuant to USFS rules, all skaters who are not home club members of SFSC must provide a letter of permission from their home club or a copy of their current year USFS membership card in the case of individual members.
9. Skaters who are not SFSC members may be required to provide proof (i.e., test certificate) of passing a prerequisite test.
10. Skaters should arrive at the rink at least 40 minutes prior to their scheduled time. Test chairs shall not be responsible for a skater missing their test if the test session is running ahead of schedule.
11. A warm-up session may be offered, depending upon time available and the number of skaters interested, which will range anywhere from 5 minutes to 30 minutes.
12. The \$25 non-member fee assessed to skaters who do not belong to the Santa Fe Skating Club will be waived for skaters who belong to other New Mexico U.S. Figure Skating affiliate clubs (i.e., Desert Ice Figure Skating Club, Albuquerque Figure Skating Club) and New Mexico skaters who are members at-large of U.S. Figure Skating.
