

# SANTA FE SKATING CLUB ANNUAL HOLIDAY SHOW '07

## *Winter in Neverland* *Based on Peter Pan*

This year's show is loosely based on the original story of Peter Pan. Basically, Peter takes the 3 Darling children to Neverland, where they meet the Fairies, Indians, Pirates, Mermaids, a Never Bird, and the Lost Children. Wendy becomes their Mom, and they have many adventures. Through a series of mishaps, Hook captures the Lost Children and, just as they are about to walk the plank, Peter and Tiger Lily saves them. All the children return home and are adopted by the Darlings, and Peter promises to return each year.

Similar to last year, our interpretation of these characters is rather broad. For one, most characters can be played by either males or females. Second, the music styles within the show vary from jazz standards, to hip hop, to Broadway, to disco. Third, roles and plots have been enhanced to best suit the talents within the Club.

**There is plenty of opportunity for everyone, regardless of age or experience, to be in the show.** As before, the solo characters will require more rehearsal time than the ensembles.

There will be auditions on Sun Oct 14<sup>th</sup> from 11:15am -- 1:00pm . The try-outs will be based on musical interpretation, before a panel of local performing arts and skating professionals who are not associated with the club. They will choose which skaters will be solo characters and which will be members of the ensembles. Casting information will be posted as soon as possible in the days following the auditions. All auditions will be *solo*, as the panel is looking at overall performance abilities. There will be opportunities for dance pairs in the show – but not in the auditions.

We hope you will all join us in creating another extraordinary skating experience!
