#### **ELIGIBILITY**

This competition is open to all eligible members of US Figure Skating. Competition level is the highest free skating test passed as of the entry deadline. Skaters may skate at one level higher than tested for any event; it is not required to skate up for all events entered. Skaters who have not previously tested may also move up one level and compete at the pre-preliminary / pre-bronze level. Pre-Preliminary through Pre-Juvenile entries will be grouped by age. Juvenile and higher will be grouped as set forth in the 2008-09 Rule-book. Initial skating order will be determined by random draw. All competitors must comply with US Figure Skating requirements relating to tests and eligibility.

#### **FACILITIES**

All events will be skated on one ice surface at the Genoveva Chavez Community Center (GCCC), located at 3221 Rodeo Road, Santa Fe, N.M. 87508. ### **PRACTICE ICE**

Practice Ice will be available on Friday, May 15, 2009, but may be scheduled on another day or time depending on your competition schedule. We will do everything we can to provide adequate ice, but be aware that we have only one ice surface. Practice Ice is limited to the day before the competition, and early morning/evening hours (as early as 5:00am and as late as 11:00pm). Skaters' practice times are assigned based on skating level and event types entered; this is a safety consideration. A CD player will be available at the registration desk to make sure the disk works. It is the skater's responsibility to ensure that CD's will play properly. CD's may be picked up after the conclusion of each event. The Music Committee will take reasonable precautions to safeguard music; however, the Committee is not responsible for accidental damage.
